

Triathlon Scotland Anti-Doping Annual Report 2023-24

British Triathlon Clean Sport Education Strategy and Implementation Plan

- British Triathlon submitted their British Triathlon Federation (British Triathlon) and Home Nation Anti-Doping Education Strategy 2021-2024 to UKAD in October 2021. Triathlon Scotland signed up to this strategy 25 October 2021.
- The Triathlon Scotland Education Strategy was signed off on 10 January 2020 and is currently being delivered across the pathway and is aligned to the British Triathlon Strategy.

Triathlon Scotland Education strategy

- Currently under review, changes to the anti-doping requirements at World Triathlon level for 2024 will be incorporated into it.

Delivery of education

- All staff (1) and athletes (2 + 2 reserves) selected for Team Scotland for Commonwealth Youth Games 2023 completed the online “Clean Sport” and then “Clean Games” modules.
- Clean Sport attended British Triathlon Super Series event, Lochore Aquathlon, Lochgelly, on 18 June 2023 to promote Clean Sport to Pathway 12–19-year-olds via a drop-in at their gazebo.
- 100% ME to be delivered to Academy/Affiliate athletes & parents March 2024.

Triathlon Scotland compliance with Assurance Framework

- 2023-2024 Information Gathering Survey for Testing ‘Green’ submitted December 2023.
- 2022-2023 Assurance Framework ‘Green’, full compliance, which was achieved March 2023.
- Triathlon Scotland Anti-doping report published February 2023.
 - [Triathlon Scotland Anti-Doping Report 2022-2023](#)
